

LET'S GROW SOMETHING TOGETHER...
USING NATURE TO
EDUCATE AND INSPIRE.

Thursday, October 7, 2010

8:30am – 11:30am

St. Peters City Hall

One St. Peters Centre Blvd.

St. Peters, MO 63376

Topics covered include: MO Department of Conservation's "Discover Nature" Curriculum, US Composting Council and the National Gardening Association's "A Garden for Every Child" Curriculum, and the design and implementation of natural play systems.

To reserve a seat for this FREE seminar please contact Cara Peroutka at cara@soil-tekma.com
