

HUNGRY FOR KNOWLEDGE?

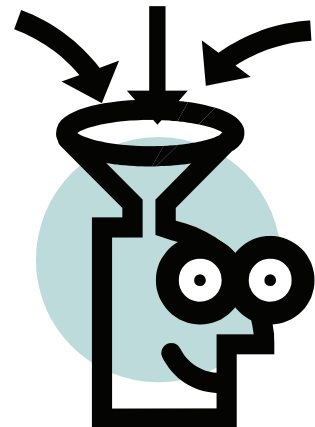

Schedule an educational lunch with soil-tek of Mid America to find out the latest in NPDES regulations!

soil-tek will bring lunch free of charge to you!

NPDES regulations are constantly changing and evolving...staying ahead of the curve is not only beneficial but necessary with today's economy.

soil-tek of Mid America enjoys providing lunch for project managers, engineers, site supers or just about anyone who is interested in discussing the latest in storm water regulations and the innovative green solutions you can use to meet those regulations.
